Please Join Us this Holiday Season In Helping our Co-Worker and Friend Fight Cancer

Both Phyllis and her family are part of our Family here at Allied Wire & Cable. Her daughter, Desiree McCarty, is a long time sales assistant, currently out on maternity leave, and her sister Deb Piergrossi is the 2nd shift warehouse manager in PA.

At a recent Beef and Beer benefit, Allied donated \$1,000 to Phyllis and her family.

We here at Allied Wire & Cable take the holiday season as a time to give back to those who are less fortunate. Usually we support a terminally-ill child through the Make-A-Wish Foundation, however, you may be familiar with the saying, "Charity Begins at Home."

You'll most likely remember the long time first voice of Allied Wire, Phyllis Rose. As Allied's receptionist for over 6 years, Phyllis greeted our customers every day with her friendly personality.

This past July, Phyllis was diagnosed with lung cancer, which has since spread to several other organs. She has undergone extensive chemotherapy and radiation. Each day she takes numerous medications to fight this battle.

The bills have taken an extraordinary toll on both Phyllis and her family. That is why we are joining forces in an effort to help offset the ever-increasing medical costs.

Between December 17th and 21st, Allied Wire & Cable will donate 1% of all sales to help Phyllis and her family.

We hope you'll join us in supporting our colleague and friend this holiday season.
