*Please Join Us this Holiday Season
In Creating Joy
the Make-A-Wish Way*

Allied Wire & Cable has always believed in helping out those less fortunate whenever possible. Some people might consider this generosity. We just think it is the right thing to do. We all have the responsibility to help out our fellow Americans who have fallen on desperate times. This holiday season, Allied is giving everyone a chance to help children with problems and diseases have a Merry Christmas.

Between December 15th and 19th, Allied Wire & Cable will donate a percentage of all sales to the Make-A-Wish Foundation.

This is a wonderful cause that helps make dreams come true for children with life threatening medical conditions and their financially strapped families. The dream could be as simple as a new computer, a Walt Disney trip, or being a fire chief for a day. No matter what the dream, you are bringing smiles to a family that has not had much to smile about.

With the average wish costing \$7,000, we hope to raise enough funds the week before Christmas to grant 2-3 wishes.

Every purchase made during that time will help turn a child's wish into a reality.
