

FOR IMMEDIATE RELEASE

### **Allied Wire Expands Southern Division Sales Team**

Florida - Pat Vaccaro, a notable figure in wire and cable who also has a component industry background, joined AWC in March 2008. He will serve as an outside sales representative based in Florida. The addition of Vaccaro means a growing company presence for Allied Wire in the Southern US.

A professional with an extensive resume, Vaccaro brings over 30 years of experience in the electronic component business to Allied Wire. Vaccaro's background ranges from work in the semiconductor business to work in the harness and assembly industry. He has most recently worked in the wire and cable industry spending a number of years with KSM Electronics and Alpha Wire Company.

"I am thrilled to be with AWC because Allied is a great company," said Vaccaro. "My co-workers here are knowledgeable and willing to put in the effort that is needed to thrive in today's competitive market. The coupling of my experience and a strong knowledge of the Florida wire and cable market with AWC's value added programs and strong inventory position will unquestionably produce a great solution for the Florida market."

#### **About Allied Wire & Cable**

Founded in 1988, Allied Wire & Cable is now one of the largest independent value-added manufacturers and distributors of wire and cable products in the country. AWC provides the aerospace, medical, automotive, transportation, computer, telecommunications, and shipbuilding industries, as well as the government, military, distributors, and manufacturers with all their wire, cable and cable accessory needs. AWC's corporate headquarters is located in Collegeville, PA, with additional offices in New England, Florida, Tennessee, South Carolina, and Wisconsin, as well as warehouses across the US.
