**Allied Wire & Cable Continues to Grow, Adds Experienced New Sales Representative to Headquarters' Location**

*After hiring 8 sales representatives in 2009 Allied Wire & Cable continues to grow in 2010, hiring Sean Brennan as their most recent Sales Representative in the Collegeville, PA location.*

Allied Wire & Cable rang in the New Year by welcoming another member of the family to the Collegeville, PA headquarters. Sean Brennan graduated from West Chester University in 2005 with a degree in Business Management. After graduating, he quickly transitioned into a career as an Account Manager in the wire & cable industry, where he's been ever since.

"I am proud to be a part of the Allied Wire & Cable family," Sean said, "and I am extremely excited to carry on the exceptional customer service tradition."

After hiring 8 sales representatives in 2009, Allied is proud to continue that trend into the New Year and confident in the success Sean will bring to the company.

**About Allied Wire & Cable, Supplier of Electrical Wire**

Allied Wire & Cable is one of the largest privately owned value-added manufacturers and distributors of electrical wire and cable products in the United States. Family owned and operated since 1988, Allied services many of the largest industries in the country, from the government and the military to aerospace, automotive and telecommunications. Allied supplies all the wire, cable, tubing and accessory needs of these industries and more everyday. Headquartered in Collegeville, PA, Allied has offices in Florida, New Hampshire, South Carolina, Tennessee, Texas and Wisconsin, along with several warehouses across the country.
